LEGACY OF THE EYE

*Names may change but blood remembers.
And the Eye watches... and waits.*

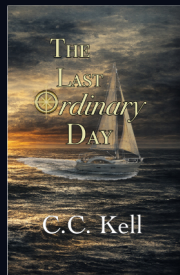

Madeline Bennett returns to Boston for her sister's funeral and inherits more than a manor in Maine; she inherits the Eye, an ancient amulet that has bound the women of her bloodline for centuries. Said to grant knowledge at a terrible cost, the relic traces back to a condemned French nun, Madeleine Bavent, whose vow still echoes through time.

At Bencliff Manor, grief turns to obsession as the Eye whispers, portraits watch, and dreams bleed into memory. Joined by friends who each sense the house's pull, Maddie must uncover the truth behind her family's curse before it claims her. *Legacy of the Eye* is a Gothic tale of inheritance, faith, and the dangerous hunger for understanding, where blood remembers and the Eye never sleeps.

We are not the vessel. We are the Fire.
